**DANISH RAZZAK SHAIKH**

has successfully completed the online, non-credit Specialization

## Financial Technology (Fintech) Innovations

This specialization is intended to familiarize learners with a broad range of financial technologies. By completing this specialization the learner can explain concepts in payment technologies, cryptocurrency and blockchain, credit scores and technologies, and smart investing techniques. Understanding business use cases for each of these technologies through practical exercises, the learner is prepared to select and analyze financial technologies appropriate for their own organization.

Robert Dittmar  
Professor of Finance  
Stephen M. Ross School  
of Business

Andrew Wu  
Assistant Professor of  
Technology, Operations,  
and Finance  
Stephen M. Ross School  
of Business

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
