DANISH RAZZAK SHAIKH

has successfully completed the online, non-credit Specialization

Palo Alto Networks Cybersecurity

Palo Alto Networks Cybersecurity Specialization prepares students for careers in cybersecurity, with an emphasis on administering the Palo Alto Networks Next Generation Firewall. Courses also map learning objectives to the U.S. NICE / NIST framework and U.S. Government work roles.

PaloAlto Networks Cybersecurity Academy

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
